Citrus Strikes Back

NOSCITRUS FAIR
May 4-7 & 11-14, 2017

THE EXHIBITION OF PHOTOGRAPHY HAS A TWO-TIER JUDGING SYSTEM

The first round is preliminary judging of digital images uploaded online.

The second round consists of images that have advanced from Tier 1 judging. Judges evaluate printed and mounted images that are delivered to the fairgrounds. Advancement of images from first round does not guarantee that a print will hang in the show; images must meet fair rules and judges' standards for print quality presentation.

Who may Enter?

The National Exhibition of Photography is open to all interested photographers. There will be three different sections to enter under: Professional, Amateur 18 and older, and Amateur 17 and under. Work must be that of the entrant. Group work by two or more people will not be accepted.

What's allowed?

Photos that contain sexually explicit, nude, obscene, violent or other objectionable or inappropriate content as determined by the National Orange Show in its sole discretion, are ineligible for all categories of this contest.

Digital enhancement of images to improve photographic quality and impact is allowed.

Images highly manipulated for artistic purposes should be entered in the "No Style Restrictions" category

How many entries may I submit?

There is no limit to the number of photographs an exhibitor can enter; however, each photograph must have a separate entry form completed and an entry fee paid. Work previously shown at the Fair or nearly identical, regardless of title, is ineligible. Identical prints may not be shown in more than one category of the show. Submitting color and black and white versions of the same images is not allowed.

Is there a fee?

A processing fee of \$10 per entry is collected during online registration. Processing fees are non-refundable

How do I enter?

- Go to callforentry.org (CaFÉ) and make a new account if you do not already have one.
- Upload your work: .jpeg .jpg only, 72 ppi/dpi, no smaller than 1920 px on the longest side, no bigger than 5 mb.
- Then find our contest under Call Listings, "National Juried Photography Exhibit | NOS Citrus Fair" and submit your photos.
- Judging criteria can also be found on the CaFÉ website.

Entries must be registered and uploaded online only by 11:59 pm (Pacific Time) by Friday, March 17.

What's the judging procedure?

The Exhibition of Photography is a two Tiered juried show. Tier 1 judges determine, online, which images will be advanced to Tier 2 onsite judging. You will be notified by e-mail if your image has been selected for Tier 2 judging, and it will include an entry tag to print out and place on the back of your mounted board, at top center. Each image will be viewed on its own merits by photographic professionals. Advancement of images to Tier 2 does not guarantee that a print will be in the show. The decisions of the judges are final. Judging include visual impact, composition, technical quality, creativity and presentation.

What are the Presentation requirements?

Detailed information about the final presentation specifications will be sent with your Tier 2 notification e-mail. Entries must be in good taste and suitable for family viewing as determined by Fair management. Processing, printing, mounting and optional matting may be done commercially. **IMPORTANT:** No watermarks or names are allowed on digital entries. Names of the entrants are not allowed in photo titles, in the description fields of the online entry process, or on the fronts of prints, mount or mat boards.

When do I deliver my entries?

Entries that advance to Tier 2 judging must be printed, mounted and delivered ready to hang by Friday, April 28, to the National Orange Show Administration Building, Gate 1. If hand delivering entries, it must be between the hours of 8 am - 5 pm Monday-Friday.

Entrants must bring the same images submitted online to the Fairgrounds on or before April 28, with an entry tag on the back of each print. Substitutions will not be accepted and changes in prices or titles cannot be made.

Mail-in entries must include return postage pre-paid. Mounted photos must arrive to the NOS Administration building by April 28. Mail in entries, to be returned, must have enough postage to cover the return. Images with insufficient postage will not be returned.
