### Fair Manual

#### Welcome to the 101st National Orange Show Fair

---

The National Orange Show has established the following Rules & Regulations in order to create and maintain the best possible food and beverage concession program for our visitors and patrons. This manual contains the Rules and Regulations that becomes part of your License Agreement once it is signed and executed. The NOS Events Center reserves the right to change any rules and/or regulations as it deems necessary.

**AUDITORS** – The FAIR auditors will make periodic, unscheduled on-site visits in order to verify sales. (See Audit Procedures)

**CONCESSIONS MEETING (mandatory)** - This year Concession meeting will be on Tuesday, April 19th at 3:00 pm. All concessionaires are required to attend. The Meeting will be held at the Beer Garden.

Therefore, all beverages sold at the Fair **MUST** be Coca-Cola products (i.e. Soft Drinks, Dasani, Powerade) with the exception of Monster and Red Bull. (U.S. Dept of Labor).

**CONDIMENTS** – Concessionaire is solely responsible to ensure that condiment tables are cleaned regularly. Condiments should be served in hinged containers that close automatically or in individual serving packets. Condiment tables must be kept neat, clean and sanitary at all times.

**CONCESSION AND EXHIBIT EVALUATION** - To ensure the quality of participants in the National Orange Show Fair, an evaluation will be performed on all concessionaires. This evaluation will be used to determine which participants will be invited back for the 2017 (102nd) National Orange Show Fair. It is in the best interest of the Show and the concessionaires to guarantee the patron of the National Orange Show complete satisfaction with their visit. You may obtain a copy of the completed evaluation form from the Food and Beverage department.

If you have specialty items please first try to order them through one of the recommended suppliers.

The Supplier program has been developed at the NOS in order to:

- 1) Keep the price of food/beverage items down to the Fair's guests, by keeping the costs down to the concessionaires.
- 2) Standardize a consistently high quality of products.
- 3) Make ordering and delivering convenient and dependable.

- 4) Promote name recognition items to the public when the supplier is also a sponsor.
- 5) Provide sales reports when requested by the auditing team.

It is the intention of the FAIR to choose suppliers in order to control vehicles and sales individuals coming onto the grounds, to oversee the quality of product served and to assist the audit control system. These are required to provide insurance and liability coverage to the FAIR.

This supplier program provides a considerable amount of flexibility and puts the responsibility for choosing quality products on the purchaser while protecting everyone from chaos on the grounds.
